Promises to Keep

Christmas time
On a cold December morning
All is calm and the world is still asleep
Christmas lights
That have been caught without warning
Gently glitter on
Stars to wish upon
All the world is at peace

Christmas time and the year will soon be leaving
Cloaked in time 'til it's just a memory
Christmas stays if we don't forget its meaning
Days go quickly by
Years they multiply
And we go searching for thee

And the dream is still alive
From that first
December morning
And it always will survive
As long as we can see
That the dreams we find in life
Are the dreams we tend to seek
And Christmas has its promises to keep

Christmas time
And the moments just beginning
From last night
When we'd wished upon a star
